Lot 528	Fantastic condition Kelvinator 64-K52 radio in rare yellow plastic. This rare model was made in Keswick, South Australia in from around 1963 and sold for the whopping sum of 25 pounds! These were well made and made to last. While Kelvinator are better-known for their fridges, their radios were great examples of the styling of the day, with the Kelvinator knight silhouette front and centre. This example is untested, but presents extremely well. There are minor wear and tear scuff marks, but nothing that cannot be easily cleaned. For more details on the model, see https://www.radiomuseum.org/r/kelvinator_64_k52.html 33 x 16 x 19 cm	12:55 PM
